Company Overview

About Us

ProSiya Group Security and Training is a leading South African organization specializing in integrated security solutions. Proudly 100% private black-owned, our company stands at the forefront of the security industry, driven by a commitment to excellence and innovation.

Through extensive field research, we have gained a profound understanding of the challenges posed by high crime rates in South Africa.
Our goal is to address these challenges by offering a comprehensive range of security services and products tailored to meet the unique needs of our clients and communities.

Mission, Vision & Values.

MISSION

- To provide exceptional value to our clients, the market, and the communities we serve.
- To empower our employees, enabling them to realize their full potential.
- To transform the image of the security sector in South Africa through professionalism and integrity.

VISION

Our vision is to cultivate deep specialization across a broad spectrum of security services and products. We aim to enhance the African security industry and eliver competitive solutions that effectively address the evolving needs of the sector.

VALUES

Customer-Driven Solutions: We design integrated security solutions that are tailored to meet the specific needs of our clients. By harmonizing the right mix of services and products, we ensure the optimal fit for every security challenge.

STAFF ACCREITATION & SKILLS DEVELOPMENT

To uphold the highest standards of integrity and professionalism, all our employees undergo rigorous screening, including polygraph tests, criminal background checks, and credit checks, ensuring they meet the required criteria for client-facing roles. We conduct regular on-site orientations and ensure annual compliance with training requirements to maintain site accreditation standards.

Our employees participate in various skills development programs and courses, which are designed to enhance their qualifications and ensure they deliver exceptional, customer-focused services. This continuous training approach guarantees that our personnel are well-equipped and competent in providing the highest level of security services.

WHAT WE DO

- Physical Guarding: On-site security personnel to protect properties and assets.
- Loss Prevention: Strategies and measures to prevent theft and reduce losses.
- VIP Protection: Specialized security for high-profile individuals.
- Mobile Patrols: Regular patrols by vehicles to deter and respond to Incidents.
- Private Investigation: Discreet investigations to gather information and evidence.
- Special Events: Security services tailored for events to ensure safety and order.
- Escorting: Safe transport for individuals or valuables.
- Armed Response: Immediate response by armed personnel to security threats.
- Basic Courses - Psira: Training courses for security professionals as per Psira standards.
